

0144 - BOARD MEMBER ORIENTATION AND TRAINING

The preparation of each member for the performance of Board of Education duties is essential to the proper functioning of the Board. The Board encourages each new Board member to acquire information about school district governance, the separate functions of the Board and the Superintendent, the operations of the district, and Board procedures.

The Board directs that each new member receive, for use during the member's term of office, the Board manual of bylaws and policies, the manual of administrative regulations, each negotiated agreement, the current budget statement and audit report, the most recent long range facilities plan, and such other materials as deemed appropriate by the Superintendent.

Each new Board member will be invited and is encouraged to meet and discuss the responsibilities and authority of a Board member, Board functions, Board policies, and procedures with the Board President, the Superintendent, and the Board Secretary.

Each newly elected or appointed Board member shall complete during the first year of the member's first term a training program to be prepared and offered by the New Jersey School Boards Association, in consultation with the New Jersey Association of School Administrators, the New Jersey Principals and Supervisors Association, and the Department of Education, regarding the skills and knowledge necessary to serve as a Board member.

The training program shall include information regarding the school monitoring system established pursuant to the State monitoring requirements.

The Board member shall complete a training program on school district governance in each of the subsequent two years of the Board member's first term.

Within one year after each re-election or re-appointment to the Board of Education, the Board member shall complete an advanced training program to be prepared and offered by the New Jersey School Boards Association. This advanced training program shall include information on relevant changes to New Jersey school law and other information deemed appropriate to enable the Board member to serve more effectively.

Within one year after being newly elected or appointed or being re-elected or re-appointed to the Board of Education, a Board member shall complete a training program on harassment, intimidation, and bullying in schools, including a school district's responsibilities under P.L. 2002, c.83 (C.18A:37-13 et seq.). A Board member shall be required to complete the program only once. Training on harassment, intimidation, and bullying in schools shall be provided by the New Jersey School Boards Association, in consultation with recognized experts in school bullying from a cross section of academia, child advocacy organizations, nonprofit organizations, professional associations, and government agencies.
