

## **4233 POLITICAL ACTIVITIES**

The Board of Education recognizes and encourages the right of all citizens, including school employees, to engage in political activity. However, the Board prohibits the use of school premises and school time for partisan political purposes.

The Board establishes the following guidelines to govern all support staff members in their political activities:

1. An employee shall not engage in political activity on school premises except in accordance with Policy No. 7510 (Use of School Facilities) on the use of school facilities, and/or applicable Federal and State laws;
2. An employee shall not post political circulars or petitions on school premises nor distribute such circulars or petitions to pupils nor solicit campaign funds or campaign workers on school premises;
3. An employee shall not display any material that would tend to promote any candidate for office on an election day in a school facility that is used as a polling place.

The provisions of this policy do not apply to the conduct of employee representative elections.
