6421 PURCHASES BUDGETED

The Board of Education directs the establishment of procedures for the purchase of budgeted goods and services that will make prudent use of district resources and yield the maximum value for the school district. The Business Administrator shall authorize all purchases that are within a budget line item and are consistent with the purpose for which the funds were appropriated

No purchase order may be placed until the Business Administrator has determined whether the proposed purchase is subject to bid, whether sufficient funds exist in the line item, and whether the goods are available elsewhere in the district.

Whenever the estimated value of a purchase or contract for goods or services other than professional services N.J.S.A. 18A:18A-5(1) and work by employees of the Board N.J.S.A. 18A:18A-5(3) is fifteen percent or more of the bid threshold established in accordance with N.J.S.A. 18A:18A-3 and N.J.S.A. 18A:18A-37 and is not made under a state contract, the purchasing agent shall, whenever practicable, solicit at least two quotations from independent vendors. All quotations received will be attached to and retained with a copy of the voucher used to pay the vendor.

The purchase or contract may be awarded on the basis of the lowest responsible quotation received or to the vendor who submits the quotation most advantageous to the Board on the basis of price and other factors. If it is determined that it is impractical to seek quotations for an extraordinary, unspecifiable service or that the purchase or contract for which quotations were sought should not be awarded on the basis of the lowest quotation received, the reasons for that determination will be set forth in writing and attached to the resulting purchase order or contract.

Supplies commonly used in the various schools will be standardized to the extent that it is educationally feasible to do so. Alternate suggestions will be made to a requisitioner if better service, delivery, economy, or utility can be achieved by a change in the proposed order.

When a purchase order is placed or a contract entered, the Business Administrator shall commit the expenditure against a specific budget line item or project category in order to guard against the creation of liabilities in excess of appropriations.

 - a. No bids have been received on both occasions in response to the advertisement, or
 - b. The Board has rejected such bids on two occasions because it has determined that they are not reasonable as to price, on the basis of cost estimates prepared for or by the prior to the advertising therefor, or have not been independently arrived at in open competition, or
 - c. On one occasion no bids were received pursuant to a. above and on one occasion all bids were rejected pursuant to b. above, in whatever sequence; any such contract may then be negotiated and may be awarded upon adoption of a resolution by a two-thirds affirmative vote of the authorized membership of the Board authorizing such a contract; provided, however, that:

3. Whenever the Board determines that a bid was not arrived at independently in open competition pursuant to subsection c.(2) of N.J.S.A. 18A:18A-5, it shall thereupon notify the county prosecutor of the county in which the Board is located and the Attorney General of the facts upon which its determination is based, and when appropriate, it may institute appropriate proceedings in any State or federal court of competent jurisdiction for a violation of any State or federal antitrust law or laws relating to the unlawful restraint of trade.

Any such contract will be entered into in accordance with N.J.S.A. 18A:18A-5.e. and may be made, negotiated or awarded only upon adoption of a resolution by the affirmative vote of two-thirds of the full membership of the Board at a meeting thereof authorizing such a contract or agreement.

The purchasing agent shall retain the record of the quotation solicitation and shall include a copy of the record with the voucher used to pay the vendor.
2. Any such contract shall be awarded by resolution of the Board.

3. Whenever two or more responses to a request of a purchasing agent offer equal prices and are the lowest responsible bids or proposals, the Board may award the contract to the vendor whose response, in the discretion of the Board, is the most advantageous, price and other factors considered. In such a case, the award resolution or purchase order documentation shall explain why the vendor selected is the most advantageous.
