

## **8220 SCHOOL DAY**

The Board of Education directs the Superintendent to determine the times that school will be in session for the purpose of providing adequate time for pupils to profit from the educational program of the district.

For the purposes of school attendance, a day in session shall be a day on which the school is open and students are under the guidance and direction of a teaching staff member(s) engaged in the teaching process. Days on which a school is closed for such reasons as holidays, teachers' professional development and inclement weather shall not be considered as days in session.

A school day shall consist of not less than four hours of actual instruction, except that in kindergarten one continuous session of two and one-half hours may be considered as a full day.
