

9541 STUDENT TEACHERS/INTERNS

The Board of Education encourages cooperation with the state colleges and universities in the education of teachers, because the public school offers an experience essential to their training. Accordingly, the schools of this district will accept students from accredited institutions of higher learning as junior or senior student teachers/interns.

The Board, upon the recommendation of the Superintendent or designee, shall approve all student teachers/interns.

Student teachers/interns shall be assigned by the Superintendent. The Superintendent shall assign student teachers/interns throughout the district in a manner that assures equity throughout the schools.

Student teachers/interns shall comply with the health examination required by rules of the State Board of Education and that are required for teaching staff members by this Board. Every student teacher/intern accepted by this Board must present the written notification of the Commissioner of Education that the applicant qualifies for employment after a criminal history record check.

Student teachers/interns shall at all times be subject to the policies of this Board. Student teachers/interns serving in the schools of this district shall be responsible to the Principal for their conduct and to the cooperating teachers for their performance.

Students and other affiliates of educational institutions will be offered the opportunity to visit and observe our district in the course of teacher training programs and educational research projects. Such students will be treated as visitors and will be under the direct supervision of the Principal.
