3144 CERTIFICATION OF TENURE CHARGES

The Board of Education, in accordance with the provisions of N.J.A.C. 6A:3-5.1 et seq., will challenge the continued employment of any tenured teaching staff member, Principal, Assistant Principal, Director or Supervisor who, is incapable of performing his or her duties, violates by unbecoming conduct, the public trust placed with employees of this district, or, by other means, demonstrates unfitness for district employment. When charges are filed against a tenured teaching staff member, Principal, Assistant Principal, Director or Supervisor, by any person, the Board shall determine the gravity of the charges and the strength of supporting evidence in accordance with law and these guidelines:

1. Charges may be instituted against a tenured teaching staff member, Principal, Assistant Principal, Director or Supervisor of the district by any person by filing with the Board Secretary a written statement, signed by the charging person, that sets forth the specific charges and the statutory ground on which each is based. The statement of charges must be accompanied by a written statement of evidence made under oath in support of the charges. The Board Secretary shall promptly notify the Superintendent and the Board President that such charges have been filed.
2. Where the charges allege incapacity, unbecoming conduct, or other good cause, a copy of the charges and a copy of the statement of evidence shall, within seventy-two hours of the time charges have been filed with the Board Secretary, be served on the charged employee together with a letter offering the employee the opportunity of submitting to the Board Secretary a written statement of position and a written statement of evidence under oath, provided that such statements are filed with the Board Secretary no later than fifteen days after the date on which the charges were served on the employee.

In accordance with N.J.S.A. 34:13A-24, fines and suspensions imposed as minor discipline shall not constitute a reduction in compensation pursuant to the provisions of N.J.S.A. 18A:6-10 where the negotiated agreement between the Board of Education and the majority representative of the employees in the appropriate collective bargaining unit provides for such discipline. In these cases, tenure charges shall not be filed to impose minor discipline on a person serving under tenure.

The Board of Education shall determine whether there is probable cause to credit the evidence in support of the charges and whether such charges, if credited, are sufficient to warrant a dismissal or reduction of salary. Pursuant to N.J.S.A. 18A:6-11, all deliberations and actions of the Board of Education with respect to such charges shall take place at a closed/executive session meeting. In

the event the Board of Education finds probable cause exists and that the charges, if credited, are sufficient to warrant a dismissal or reduction of salary, then the Board shall file, within fifteen days, written charges with the Commissioner. The charge(s) shall be stated with specificity as to the action or behavior underlying the charges or the nature of the alleged inefficiency and shall be accompanied by the required certificate of determination together with the name of the attorney who is anticipated for administrative purposes will be representing the Board of Education and proof of service upon the employee and the employee's representative, if known. Such service shall be at the same time and in the same manner as the filing of charges with the Commissioner.

The certificate of determination that accompanies the written charges shall contain a certification by the Board Secretary including that a determination was made of the charges and the evidence in support of the charges are sufficient, if true in fact, to warrant dismissal or a reduction in salary; of the date, place, and time of the meeting at which such determination was made and whether or not the employee was suspended and, if so, whether such suspension was with or without pay; that such determination was made by a majority vote of the whole number of members of the Board of Education in accordance with N.J.S.A. 18A:7A-39.

An individual against whom tenure charges are certified shall file a written response to the charges in accordance with the provisions of N.J.A.C. 6A:3-5.3 et seq. The Commissioner shall determine whether such charge(s) are sufficient, if true, to warrant dismissal or reduction in salary in accordance with the provisions of N.J.A.C. 6A:3-5.5. Any withdrawal, settlement, or mooted of tenure charges shall be in accordance with the provisions of N.J.A.C. 6A:3-5.6.

The charges shall be stated with specificity as to the action or behavior underlying the charges and shall be accompanied by the required certificate of determination together with the name of the attorney who is anticipated for administrative purposes will be representing the Board of Education and proof of service upon the employee and the employee's representative, if known. Such service shall be at the same time and in the same manner as the filing of charges with the Commissioner.

C. Format of Certificate of Determination

1. The certificate of determination that accompanies the written charges shall contain a certification by the Board of Education Secretary:
 - a. The Board of Education has determined the charges and the evidence in support of the charges are sufficient, if true in fact, to warrant dismissal or a reduction in salary;
 - b. Of the date, place, and time of the meeting at which such determination was made and whether the employee was suspended and, if so, whether such suspension was with or without pay; and
 - c. The determination was made by a majority vote of the whole number of members of the Board of Education in accordance with N.J.S.A. 18A:7A-39.

D. Filing and Service of Answer to Written Charges – N.J.A.C. 6A:3-5.3

1. Except as specified in N.J.A.C. 6A:3-5.1(c)5, an individual against whom tenure charges are certified shall have fifteen days from the date such charges are filed with the Commissioner to file a written response to the charges. Except as to the time for filing, the answer shall conform to the requirements of N.J.A.C. 6A:3-1.5(a) through (d).

Consistent with N.J.A.C. 6A:3-1.5(g), nothing in N.J.A.C. 6A:3-5.3 precludes the filing of a motion to dismiss in lieu of an answer to the charges, provided the motion is filed within the time allotted for the filing of an answer. Briefing on the motions shall be in the manner and within the time fixed by the Commissioner, or by the arbitrator if the motion is to be briefed following transmittal to an arbitrator.

2. Upon written application by the person against whom charges are filed, the Commissioner may extend the time period for the filing of an answer upon a finding of good cause shown consistent with the provisions of N.J.S.A. 18A:6-16. Such application shall be received prior to the expiration of the fifteen-day answer period, or the ten-day answer period specified in N.J.A.C. 6A:3-5.1(c), and a copy shall be served upon the charging Board of Education. The Board of Education shall promptly notify the Commissioner of any opposition to the request.

A request for extension that is received after the fifteen-day period allotted for an answer to tenure charges, or after the ten-day period allotted in N.J.A.C. 6A:3-5.1(c) will be considered only in the event of demonstrated emergency or other unforeseeable circumstance such that the request could not have been made within the requisite filing period.

3. If no answer is filed within the requisite time period and no request for extension is made, or if the request is denied by the Commissioner, or the charged employee submits an answer or other responsive filing indicating the employee does not contest the charges, the charges shall be deemed admitted by the charged employee.

E. Determination of Sufficiency and Transmittal for Hearing – N.J.A.C. 6A:3-5.5

1. Except as specified in N.J.A.C. 6A:3-5.1(c), within ten days of receipt of the charged party's answer or expiration of the time for its filing, the Commissioner shall determine whether such charge(s) are sufficient, if true, to warrant dismissal or reduction in salary. If the charges are determined insufficient, they shall be dismissed and the parties shall be notified accordingly. If the charges are determined sufficient, the matter shall be transmitted immediately to an arbitrator for further proceedings, unless the Commissioner retains the matter pursuant to N.J.A.C. 6A:3-1.12.

A notice of transmittal shall be issued to the parties by the Department of Education on the same date as the matter is transmitted to an arbitrator.

2. Where a party to a tenure matter requests, the Commissioner may agree to hold the matter in abeyance at any time prior to transmittal to an arbitrator. Thereafter, requests to hold the matter in abeyance shall be directed to the arbitrator. Any request for abeyance, whether directed to the Commissioner or the arbitrator, shall be consistent with the intent of N.J.S.A. 18A:6-16 as amended by P.L. 1998, c.42.

F. Withdrawal, Settlement, or Mooting of Tenure Charges – N.J.A.C. 6A:3-5.6

1. Once tenure charges are certified to the Commissioner, they may be withdrawn or settled only with approval. Any proposed withdrawal or settlement, whether submitted to the Commissioner or to the arbitrator, shall address the following standards established by the State Board of Education in the matter entitled *In re Cardonick*, State Board decision of April 6, 1983 (1990 *School Law Decisions (S.L.D.)* 842, 846):
 - a. Accompaniment by documentation as to the nature of the charges;
 - b. Explication of the circumstances justifying settlement or withdrawal;
 - c. Consent of both the charged and charging parties;
 - d. Indication the charged party entered into the agreement with a full understanding of his or her rights;
 - e. A showing the agreement is in the public interest; and

- f. A showing the charged party has been advised of the Commissioner's duty to refer tenure determinations resulting in loss of position to the State Board of Examiners for possible suspension or revocation of certificate.
2. A settlement agreement shall not propose terms that would restrict access to information or records deemed public by law or result in misrepresentation of the reason for an employee's separation from service. If tenure charges have been certified to the Commissioner by a Board of Education, any proposed settlement shall indicate, by signature of the Board Attorney or inclusion of a Board of Education resolution authorizing settlement, that the Board of Education has consented to the terms of the settlement.
3. A proposed withdrawal or settlement of tenure charges shall be submitted to the Commissioner prior to transmittal of such charges to the arbitrator; thereafter, it shall be submitted to the arbitrator.
4. If tenure proceedings against the charged party are concluded prior to adjudication because the charged party has unilaterally resigned or retired, the Commissioner may refer the matter to the State Board of Examiners for action against the charged party's certificate as it deems appropriate, when such referral is warranted under the provisions governing resignation or retirement prior to conclusion of tenure charges as set forth in N.J.A.C. 6A:9B-4.3.
5. If a proposed settlement requires the tenured employee to relinquish a certificate issued by the State Board of Examiners, upon approval of the settlement agreement, the Commissioner shall forward the matter to the State Board of Examiners for proceedings in accordance with N.J.A.C. 6A:9B-4.10.

3146 CONDUCT OF REDUCTION IN FORCE

It is the responsibility of the Board to provide the staff necessary for the implementation of the educational program of the district and to operate the schools efficiently and economically.

The Board reserves the right to abolish positions in the district and to reduce staff commensurately whenever reasons of economy, reorganization of the school district, reduction in the number of pupils, or other good cause warrant such action in accordance with Policy 3112. In all cases, statutes and the rules of the State Board shall govern the transfer and dismissal of employees affected by the abolishment of positions.

The Superintendent shall develop rules for the reduction of staff which comport with statute, rules of the State Board, and applicable case law and which ensure the following:

1. The efficiency and effectiveness of district organization and staffing patterns shall be under continuing review, and recommendations for eliminating, creating, and reallocating duties and positions shall be presented for Board consideration when the Superintendent considers such actions to be in the best interest of the district.
2. No person shall be employed by the Board to perform duties for which he/she is not properly certified.
3. Data necessary for the computation of each teaching staff member's seniority status shall be promptly and accurately recorded and maintained.
4. No tenured teaching staff member will be transferred or dismissed in a reduction in force affecting a category of employment in which a nontenured teaching staff member is employed. When two or more nontenured teaching staff members are employed within the category affected by a reduction in force, the nontenured teaching staff member(s) shall be retained in that category who has demonstrated greater competence.
5. Tenure and seniority entitlements will govern the transfer and dismissal of tenured teaching staff members affected by a reduction in force, except that, when two or more tenured teaching staff members within the same employment category affected by a reduction in force possess an identical seniority entitlement to that category, the teaching staff member(s) shall be retained in that category who has the greater seniority in the district at large.

R 3146 CONDUCT OF REDUCTION IN FORCE

A. Seniority Lists

In order to determine the teaching staff member(s) affected by a reduction in force, a seniority list will be prepared for each seniority category. The Superintendent or designee will:

1. Determine the category or categories of employment in which each teaching staff member has served by reference to positions held and qualifying certification.
2. Determine whether the member has earned tenure in the district and in the position in which the category falls, in accordance with N.J.S.A. 18A:28-6. Tenure is earned in the positions of Assistant Superintendent, School Business Administrator, Principal, Assistant Principal, , Supervisor, educational services personnel, school nurse, and teacher.
3. Calculate length of service in each category within a tenure position in which the employee has earned tenure.
 - a. Length of service may be expressed in years, months and days.
 - b. Length of service commences from the day on which the employee began service in the category and ends with the end of the current school year or, in the case of previously rified employees, the day on which the employee's district service was terminated.
4. Deduct from time of service in the category any periods of unpaid absence taken for any purpose other than study or research, except that the first thirty days, consecutive and aggregate, of such unpaid absence taken within any one school year will not be deducted.
5. Add periods of prior active military service, to a maximum of four years, to the member's length of service in the first category of district employment. Each full year of military service equals one year of seniority; a fraction of a year, ten months or longer, equals one year of seniority for a ten month employee.
6. Enter the total amount of service for the member's initial category of employment.

**TEACHING STAFF MEMBERS
R 3146
Conduct of Reduction in Force**

Page 2 of 2

7. If the member has been transferred to a second category or successive categories, calculate the service time of each category in accordance with A1 through A4 and enter separately.
 - a. Service in succeeding categories is included in the member's seniority in each earlier category.
 - b. Each seniority list must clearly indicate the category or categories in which the member has earned seniority and the total accrued time in each.

B. RIF Procedures

1. Determine the category or categories of employment to be reduced in number in a reduction in force.
2. Transfer or dismiss nontenured teaching staff members in the reduced category, in accordance with Policy No. 3146.
3. If no nontenured member remains in the category, the least senior tenured member shall be transferred to a previous seniority category in the same tenure position over a nontenured member or a less senior member in that category.
4. If there are no positions within his or her seniority categories in the same tenure position to which the member may be transferred, the member shall be transferred to a position outside his or her seniority categories but within the same tenure position, provided the member is appropriately certified for the position and the position is held by a nontenured employee.
5. If there are no positions to which he or she can be transferred by right of seniority or tenure in the same tenure position, the member shall revert in reverse chronological order to each seniority category and tenure position in which he or she was previously employed in the district, in accordance with the procedure set forth in B3 through B4 above.
6. When there are no positions which the tenured member affected by a reduction in staff can claim over other tenured employees by superior seniority or over nontenured employees by tenure, he or she shall be dismissed, shall receive sixty days notice of such dismissal or pay in lieu thereof, and shall be placed on a preferred eligible list for each category in which he or she was employed by the district.

4125 EMPLOYMENT OF SUPPORT STAFF MEMBERS

The Board of Education believes it is vital to the successful operation of the district that support staff positions be filled with highly qualified and competent employees.

The Superintendent or designee shall recruit, screen, and recommend to the Board suitable candidates for district employment. The Board shall approve the employment, fix the compensation, and establish the term of employment for every support staff member employed by this district. .

The Board will employ substitutes for absent support staff members in order to ensure continuity in a program and will annually approve a list of substitutes and rate of pay. The Superintendent or designee shall select substitutes from the list approved by the Board to serve in the place of an absent support staff member.

No person shall be employed in a position involving regular contact with pupils unless the Board has notice that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

Criminal history record checks will be required pursuant to New Jersey Department of Education regulations and procedures. Any person to be employed by the district must undergo a criminal history background check. All contracted employees having regular pupil contact must undergo a criminal record history check. Approval letters will be valid only for the district or contract service provider through which the person to be employed made application for employment.

Individuals who provide volunteer services to classrooms and crossing guards, not employed or contracted by the district, are not subject to this criminal history record information requirement. Individuals who provide volunteer services as coaches are subject to this criminal history record information requirement. An individual shall be permanently disqualified from employment or service in the school district if the criminal history record check reveals a record of conviction for crimes as defined in N.J.S.A. 18A:6-7.1.

Substitute employees, who are rehired annually by the Board, are required to undergo a criminal history record check upon initial employment, provided the substitute continues in the employ of at least one of the districts at which the substitute was employed within one year of the approval of the criminal history record check. A substitute employee later selected for a permanent position within the district does not need to undergo a new criminal history background check provided there is no break in service in the substitute employment.

A break in service is when the employee is no longer approved by the employing Board of Education. An employee who has been laid off (dismissed because of employee reduction) and is asked to be re-employed by the district and/or contractor must submit to a new criminal history background check.

School bus drivers to be employed by the district or by a school bus contractor holding a contract with the Board, must submit to a criminal history background check upon initial employment within the district and upon renewal of their school bus driver endorsement, as outlined in N.J.S.A 18A:39-19.1.

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history records check if the Board or contractor demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal background check is not completed for an emergent hired employee within three months, the Board or contractor may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

No criminal history record check shall be furnished unless the applicant provided written consent to the check. The applicant shall bear the cost for the check, including all costs for administering and processing the check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history background check.

The responsible administrator(s) shall seek candidates for employment who possess the attributes of good character, appreciation of children, good health, and emotional maturity. They may administer such screening tests as may bear upon a candidate's ability to perform the tasks for which he/she is being considered and review such recommendations from former employers and others as may be of assistance in assessing the candidate's qualifications. Application records will be retained in confidence and for official use only.

The Board may employ relatives of Board members provided the member of the Board involved does not participate in any way in the discussion or vote.

All new employees will be required, within three days of the first day of hire, to complete the federal Form I-9 and supply the documentation necessary to demonstrate the employee's identity and employment eligibility under the Immigration Reform and Control Act of 1986. Completed Forms I-9 will be retained for three years or until one year after the end of the employee's separation, whichever is longer.

An employee's misstatement of fact material to his/her qualifications for employment or the determination of his/her salary will be considered by the Board to constitute grounds for dismissal.

Aides/Paraprofessionals

The Board will employ school aides and/or classroom aides to assist in the supervision of pupil activities under the direction of a Principal, teacher or other designated certified professional personnel. Aides will serve the needs of pupils by performing nonprofessional duties and may work only under the direct supervision of teaching staff members.

In accordance with the requirements of No Child Left Behind Act of 2001, each school district receiving Title I funds shall ensure that all paraprofessionals hired after January 8, 2002 and working in a program supported with Title I funds shall have:

1. Completed at least two years of study at an institution of higher education;
2. Obtained an associate's (or higher) degree; or
3. Met a rigorous standard of quality and can demonstrate, through formal State or local academic assessment:
